## THE SUGAR MILL • 11AM-5PM

*Music has always been at the heart of New Orleans, but for people in recovery, music-oriented events can often be places where they feel challenged or excluded. We believe that building community and having fun is an important part of recovery, and Bridge House / Grace House is proud to host an alcohol-free music festival where everyone can come together to enjoy amazing artists and have a great time in a sober-supportive environment.*

The festival is family friendly, including a Kids Area with games and activities. A variety of food options will be available for purchase from local vendors and food trucks. The revenue from Sober Fest will directly benefit Bridge House / Grace House's mission and one source of that revenue will be through the sale of non-alcoholic beverages at the festival.

***With a donation of your brand's product, your participation will directly contribute to the event's success and providing treatment for individuals suffering from the life-threatening disease of addiction.***

For more information or to donate, contact:

*\*Additional GA Tickets and/or Sponsor Passes available for donations over 20 cases.*

*Bridge House / Grace House's Sober Fest aims to raise awareness that recovery is possible and fun in recovery is achievable; while also benefiting our NO-COST, long-term residential substance use disorder treatment programs. Founded on the principle that no one can attain and maintain sobriety without having their basic needs met, Bridge House / Grace House treats predominantly homeless, indigent, uninsured and/or unemployed men and women. In 2022, we treated 792 individuals.*
