MR. LEGS XXIV • GENERATIONS HALL

A parody of a beauty pageant (or rather a mock male burlesque show) –
Mr. Legs is one of Bridge House / Grace House's largest fundraiser and features male contestants who "show a little leg for charity".

Mr. Legs is first and foremost a fundraising competition, raising crucial funds for Bridge House / Grace House's treatment programs. The title of "Mr. Legs" is awarded to the contestant that raises the most money. Celebrity Judges select winners from categories such as: Best Costume, Sexiest Legs, Rookie of the Year and more.

Are you Kenenough to
take home the crown?

All Mr. Legs Contestants don costumes and perform a 3 – 5 minute routine, entertaining the crowd and judges. Contestants are creative with their costume or character; a topical theme or pop culture reference usually goes over well with the crowd. Costumes and music are first come first serve and duplicates between Contestants is not allowed.

Perform alone, with guests, and or as a Contestant Group!

Contestants are allowed backup dancers or supporting guests, but only the Contestant is responsible for fundraising, only he will be listed as performing, and only he is eligible for trophies. Contestant Groups are when 2 to 4 Contestants who have all gone through the registration process are performing together, so all are responsible for fundraising, listed as performers, and eligible for trophies.
